

Colored People's Column.

LOCAL AND PERSONAL NEWS OF INTEREST TO THEM.
Rev. S. G. Baker, Editor.

This is an exact representation of the carton containing a bottle of St. Joseph's Liquid Liver Regulator, but it is much larger than this illustration, and printed in black ink on a yellow carton. Druggists and general merchants sell it at 50 cents a bottle, or you can get it direct from us at the same price. This is a delightful liver medicine—prompt, effective, and exceedingly pleasant to the taste. Try just one bottle to satisfy yourself—and you'll buy more.

Plant Wood's Garden Seeds

FOR SUPERIOR VEGETABLES & FLOWERS.

Our business, both in Garden and Farm Seeds, is one of the largest in this country, a result due to the fact that

Quality is always our first consideration.

We are headquarters for Grass and Clover Seeds, Seed Oats, Seed Potatoes, Cow Peas, Soja Beans and other Farm Seeds.

Wood's Descriptive Catalogue is the best and most practical of seed catalogues. An up-to-date and recognized authority on all Garden and Farm crops. Catalogue mailed free on request. Write for it.

T. W. WOOD & SONS,
SEEDSMEN, • Richmond, Va

Mr. H. R. Lucas, who was to exhibit his moving picture scenery at Bethel Church last Monday night has postponed his visit until later, when due notice will be given through these columns.

The Rev. J. A. Davis, who now pastors the First Baptist Church at Bartow, spent several days with his family and friends last week.

Miss Hattie Sumner has returned home from her Christmas vacation.

Mr. Arthur Steward made a very pleasant trip to Lake Helen last Sunday.

A fairly good crowd of the members and friends of the Rev. G. S. Crawford attended his church services at Orange City Sunday, and they expressed themselves as being much benefited by their attendance.

Mr. and Mrs. Edward Rouse, their daughter, Fanny, and Mr. H. S. Simmons were in the city last Saturday. Mr. Simmons subscribed for THE NEWS while here.

The three nights' bazaar given by a committee of the B. Y. P. U. of the Union Baptist Church at the Odd Fellows' Hall last week was a success, and the committee deserve much credit for their attainment in the matter.

The call of the Rev. N. W. Robinson to the pastorate of the Union Baptist Church as chronicled in these columns last week was reconsidered last week, and the Rev. Wm. Powe, of Eustis, was called, and has accepted it. He will assume his duties three months hence. The Rev. Powe comes highly recommended, and it is hoped that the Union Church will get in union, and begin work in real earnest. "United we stand, divided we fall."

The installation and entertainment given by Charity K. of P. Lodge last Wednesday night at the Odd Fellows Hall were hugely enjoyed by all present. Deborah Court, O. of C., was present and added greatly to the entire affair. The speakers of the evening were: Norman Gibson, G. S. Crawford, S. G. Baker, Mesdames E. B. Baker, Maria DeBose and L. L. Robinson. W. S. Spear was master of ceremonies.

Deborah Court, O. of C., held an interesting meeting last Monday night. They decided to give an entertainment in connection with their next meeting, which will be on February 1. All knights of Pythias and friends of the Order are expecting together with all who desire to spend an evening pleasantly.

Mr. and Mrs. Robert Samuel, who have been here for several years, left this week for Sanford, where they will permanently locate.

It is not very many days now before the editor of this department will leave for his annual conference at Palatka. This closes the fourth year of his administration at Bethel Church, and it may be the last one. It is earnestly requested that all members and friends of the church help in the preparation for the closing of this year's work.

Messrs. C. A. Worthy and F. A. Miller made a business trip to the

SEVEN YEARS OF PROOF.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs, and colds and for every diseased condition of throat, chest or lungs," says W. V. Henry, of Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds, la grippe, asthma, hay fever, bronchitis, hemorrhage of the lungs, and the early stages of consumption. Its timely use always prevents the development of pneumonia. Sold under guarantee at all druggists, 50c. and \$1.00. Trial bottle free.

Odd Fellows Lodge at Lake Helen a few days ago.

Mrs. Rosa Hadley was called to Jacksonville last week to see her sister, who is said to be very ill.

It is very strange indeed that you all your boy to loaf the street. The school house doors are open. You don't see after them the State and county officials will do so.

The Lincoln Memorial Club met Monday night, and decided to conduct a debate next Monday night at the Odd Fellows Hall. The debate will be: Resolved, "That the Negro in the past forty-three years has made progress, achievements, etc., commensurate with his opportunities." Affirmative—C. A. Worthy, and others. Negative—J. H. Rosemond, and others.

WHAT IS LIFE TO YOU?

To the preacher life's a sermon,
To the joker it's a jest,
To the miser life is money,
To the loafer life is rest.

To the lawyer life's a trial,
To the poet life's a song;
To the doctor life's a patient,
That needs treatment right along.

To the soldier life's a battle,
To the teacher life's a school;
Life's a good thing to the grafter,
It's a failure to the fool.

To the man upon the engine
Life's a long and heavy grade;
It's a gamble to the gambler,
To the merchant life's a trade.

Life's a picture to the artist,
To the rascal life's a fraud;
Life perhaps is but a burden
To the man beneath the hod.

Life is lovely to the lover,
To the the player life's a play;
Life may be a load of trouble
To the man upon the dray.

Life is but a long vacation
To the man who loves his work;
Life's an everlasting effort
To shun duty to the shirk.

To the heavens blest romancer
Life a story ever new;
Life is what we try to make it—
Brother, what is life to you?
—Baltimore Sun.

IN DIPLOMATIC CIRCLES.

At a dinner given by the prime minister of a little kingdom on the Balkan Peninsula, a distinguished diplomat complained to his host that the minister of justice, who had been sitting on his left, had stolen his watch.

"Ah, he shouldn't have done that," said the prime minister, in tones of annoyance. "I will get it back for you." Sure enough, toward the end of the evening the watch was returned to the owner.

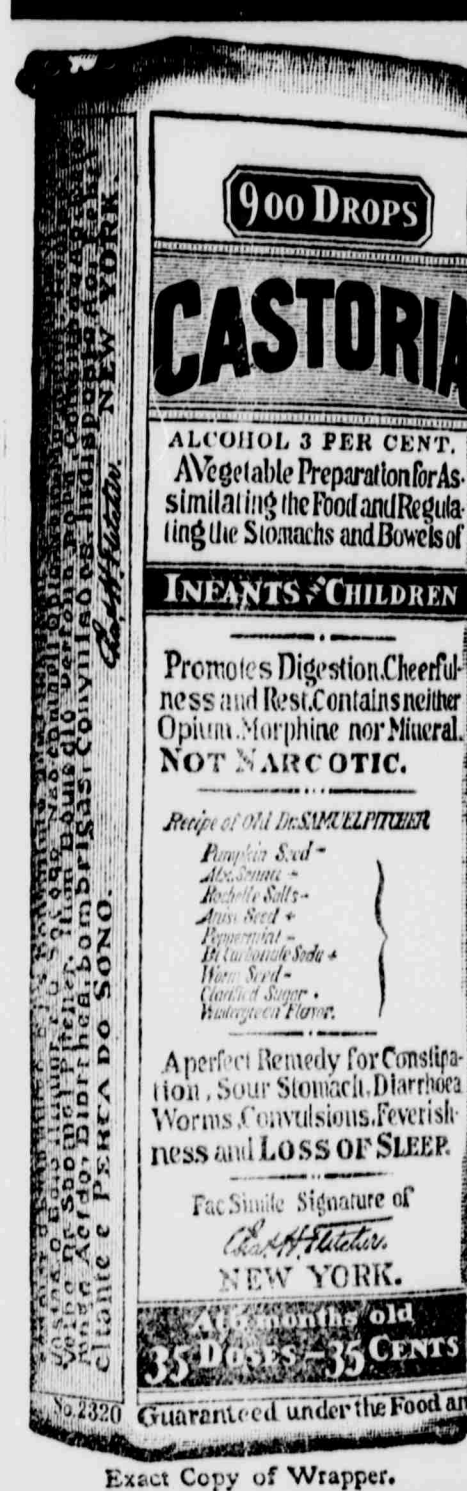

"And what did he say?" asked the diplomat.

"Sh-h," cautioned the host, glancing anxiously about him. He doesn't know that I have got it back."—Everybody's.

Truth and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

Don't Worry

If you are sick, don't worry, but begin at once to make yourself well. To do this, we but repeat the words of thousands of other sufferers from womanly ills, when we say:

TAKE CARDUI

It Will Help You

For 50 years, this wonderful female remedy, has been benefiting sick women. Mrs. Jennie Merrick, of Cambridge City, Ind., says: "I suffered greatly with female trouble, and the doctors did no good. They wanted to operate, but I took Cardui, and it made me feel like a new woman. I am still using this wonderful medicine, with increasing relief."

John B. Stetson University

A SCHOOL FOR ALL DENOMINATIONS

COLLEGE OF LIBERAL ARTS.—English Language and Literature; Latin, Greek, German, French, Spanish, Mathematics, Chemistry, Physics, Mechanic Arts, History, Philosophy, Pedagogy, Political Economy, Biology, Geology, Physical Culture, Etc. In 1897, Stetson adopted the same requirements for admission and graduation that were held by the University of Chicago, and the two were affiliated.

COLLEGE OF LAW.—Always strong. This College will be further strengthened in the Fall of 1928 by increasing the teaching force and by offering a two years' and a three years' course of study.

COLLEGE OF TECHNOLOGY.—Civil, Electrical, Mechanical and Chemical Engineering courses leading to degrees.

COLLEGE FOR TEACHERS.—A College course for teachers leading to a degree; a NORMAL SCHOOL for Florida school teachers; model schools in all the grades of the Public School, special emphasis being put on the 6th and 8th grades; Kindergarten training school in separate building.

THE ACADEMY.—Classical, Latin, Scientific and Scientific courses in preparation for College. Stetson is especially strong in this work. Its students have gone to Harvard, Yale, Princeton, Cornell, Michigan and Chicago.

BUSINESS COLLEGE.—Banking in all of its branches. Bookkeeping by best methods. Shorthand and Typewriting. Elective courses open in other Departments. Large Faculty and commodious building.

SCHOOL OF MECHANIC ARTS.—Woodworking, Iron Working and Manual Training.

SCHOOL OF FINE ARTS.—Drawing in Charcoal and Ink; Painting in Oil, Water Color and Pastel; New Studio, Costly Cars, Models, Etc.

SCHOOL OF MUSIC.—A \$10,000.00 pipe organ, 15 pianos, separate building, large faculty, thorough courses; opportunities of hearing oratorios.

Stetson has a faculty of 48 professors and teachers. They hold degrees from the University of Chicago, Harvard, Yale, Columbia, Toronto, Wake Forest, Louisville, Bowdoin, Utrecht, Bucknell, University of Michigan, Denison, Arkansas, Kalamazoo, Baltimore and other Institutions. There are over \$400,000.00 in buildings and equipment; nearly a quarter million dollar endowment; an endowed library of over 11,000 volumes; a beautiful chapel with costly furnishings, including stained glass windows, 7 oil paintings, a \$10,000.00 pipe organ; a Gymnasium with complete apparatus; enclosed Athletic Field, running track, tennis courts, baseball diamond and gridiron, besides swimming, golf, rowing and other sports, separate buildings for men and women; ten large laboratories for Chemistry, Physics, Botany, Zoology, Mineralogy and Biology; several large museums and shops; electric bells, steam heat, cement walks, shell roads, broad avenues, spacious campus, shrubbery trees; social, literary, musical and other students' clubs; star lecture courses; Christian and non-Christian teaching. The location is beautiful and healthful, and the expenses are low.

For catalogs, views, folders and information, address the President.
